Now in its second year, the Digital Inclusion Survey is a survey of all public libraries in the country. It assesses digital infrastructure and services provided by libraries, including in workforce development, health, and e-government.

**WHY PARTICIPATE?**
- Get a better sense of your community’s needs
- Help provide data about library value for decision and policy makers
- Show how libraries build inclusive communities
- See your data in action through interactive mapping tools and policy products for advocacy

**HOW DO I PARTICIPATE?**

1) Go to digitalinclusion.pnmi.com
2) Enter your survey ID number (see back of postcard)
3) Follow the instructions provided!
