Arizona libraries offer vital digital access and resources to their communities.

- 93% of Arizona libraries offer access to online job and employment resources
- 93% of Arizona libraries provide access to online homework assistance
- 100% of Arizona libraries provide access to E-books

Arizona has 219 libraries, which were visited 10,816,729 times, with 2,218,928 public Internet computer uses.

Each dot represents a public library in the state.
DIGITAL INCLUSION is the ability of communities to provide opportunity for all in a digital age, and is comprised of 3 overlapping aspects:
ACCESS to infrastructure
ADOPTION of digital technologies
APPLICATION of those technologies for community benefit

Public libraries build digitally inclusive communities through access to broadband, technology, training, and services.

Data collected in 2013. For more information and citations: digitalinclusion.umd.edu/references

* Percentages are derived from percentage of libraries that indicated that they offered programs in respective domain areas.
