**DID YOU KNOW?**

Colorado has 251 libraries, which were visited 32,774,319 times, with 6,884,268 public Internet computer uses.
DIGITAL INCLUSION is the ability of communities to provide opportunity for all in a digital age, and is comprised of 3 overlapping aspects:
- ACCESS to infrastructure
- ADOPTION of digital technologies
- APPLICATION of those technologies for community benefit

Public libraries build digitally inclusive communities through access to broadband, technology, training, and services.

Data collected in 2013. For more information and citations:
