- **96%** of New Hampshire libraries offer access to online job and employment resources
- **98%** of New Hampshire libraries provide access to online homework assistance
- **93%** of New Hampshire libraries provide access to E-books

**Did You Know?**

New Hampshire has 235 libraries, which were visited 7,580,567 times, with 1,145,173 public Internet computer uses.

Each dot represents a public library in the state.
Public libraries build digitally inclusive communities through access to broadband, technology, training, and services.

**DIGITAL INCLUSION** is the ability of communities to provide opportunity for all in a digital age, and is comprised of 3 overlapping aspects:

- Access to infrastructure
- Adoption of digital technologies
- Application of those technologies for community benefit

- **ACCESS**
  - 99% NH of libraries offer free WiFi

- **ADOPTION**
  - 90% NH of libraries offer technology training

- **APPLICATION**
  - 99% NH of libraries offer education programming
  - 95% NH of those provide summer reading programs

Data collected in 2013. For more information and citations: digitalinclusion.umd.edu/references

*Percentages are derived from percentage of libraries that indicated that they offered programs in respective domain areas.
